

**School Swimming Consent Form #11**

Dear Parents/Carers

As you are aware our school has a large pool. Students access the pool for hydrotherapy or swimming programs as a part of their educational program.

The following guidelines apply to the items to be worn/brought to these classes.

- Students are to bring their own costumes for swimming lessons as well as their own towel, goggles and swim cap (if required). Please speak with your classroom teacher for further information on any individual class requirements.
- Swimmers/costumes must fit the student and be of a nature to allow the student to move safely through the water.

Costumes should be for:

- female students - **one piece or 'rash top' and board shorts**
- male students – **board shorts (speedos underneath if not lined) or swim short**

Students with incontinence **must** wear approved swim pants/nappy underneath their costume.

Please complete this permission in order for your child to participate in these programs at school.
